Journal of Biomedical Optics 8(1), 33–39 (January 2003)

Feasibility study using surface-enhanced Raman spectroscopy for the quantitative detection of excitatory amino acids

In this paper, the authors were listed in the incorrect order.
The correct order is:

Patrick D. O'Neal

Texas A&M University
Biomedical Engineering Program
College Station, Texas 77843

Massoud Motamedi

University of Texas Medical Branch at Galveston
Biomedical Engineering Center
Galveston, Texas 77551

Wei-Chiang Lin

Vanderbilt University
Department of Biomedical Engineering
Nashville, Tennessee 37235

Jefferson Chen

University of Texas Medical Branch at Galveston
Biomedical Engineering Center
Galveston, Texas 77551

Gerard L. Côté

Texas A&M University
Biomedical Engineering Program
College Station, Texas 77843
